Insurance Protection for your Collector Car

Fireman's FundSM
Insurance Company

A company of **Allianz** 

You Have a Passion for Cars ... We Have a Passion for Protecting Them.

With our coverage for collector cars you get a policy that provides much more than conventional insurance.

As a collector car owner, you appreciate the difference between a 1956 Silver Cloud and a mass market car. As an insurer that protects unique possessions and sophisticated lifestyles, Fireman's Fund Insurance Company understands the importance of exceptional coverage and service.

Distinctive benefits of our collector car coverage include:

- High-value cars welcome – Whether it's a historic automobile, an exquisite home, or large yacht, we provide high limits of coverage with experience and skill that goes beyond the ordinary.
- Agreed Value Coverage – Your coverage should reflect the true value of your car. Our agreed value coverage pays the full insured amount in the event of a total loss.
- Flexible usage – Our policy does not have a mileage restriction. We insure cars that are maintained primarily for use in exhibitions, club activities, parades, other functions of public interest, and occasionally driven for other purposes. However, we don't place specific limits on the miles you drive. We understand the stewardship you exhibit with your possessions and we recognize your right to enjoy them.

- Repair shop of your choice – If you have a claim, you're not limited to certain repair shops with predetermined labor rates. You can use a repair shop of your choice with no penalty. If you decide to have the work done by one of our pre-screened quality repair shops, we extend a lifetime guarantee for all repair work performed. In addition, should you choose to restore the vehicle yourself, there is no reduction in the loss settlement.
- High optional liability limits – You're protected from legal actions for up to \$1 million – much more than most carriers offer. And, if that is not enough to protect your assets, we offer excess liability coverage of up to \$100 million.
- “For display only” coverage – We offer specially priced coverage for large car collections that are primarily “for display” (garaged and/or exhibited) and driven only to maintain the vehicle.

The Fireman's Fund® Difference

Your car was damaged while being transported to an exhibition. You want to have the damage repaired by a professional restorer, who has done work on your car in the past. Other insurance carriers might insist that you have the damage repaired at a shop that they select or reduce your claim settlement, but not Fireman's Fund. It's your choice! We pay for the repairs whether they are done at one of our own pre-screened quality repair shops or at a repair shop of your choice. Fireman's Fund understands the effort you've taken to maintain your car and we share your passion for keeping it that way.

Fireman's Fund provides a portfolio of personal insurance products and services for sophisticated lifestyles including home, auto, excess liability, collections and yacht. For more information, contact your independent insurance agent, or visit our Website at: www.firemansfund.com.
